

# Read to Succeed July 14-August 17, 2010

**Directions:** Please log how many minutes you read each day. Your first priority is to read your grade's summer reading book. Then, list other books, magazines, graphic novels, or newspaper articles that you read on the back of this form. Sign your name below and get a parent/guardian signature as well. Turn in this calendar at Oxboro Library for a prize. We'll see you there! - VVMS Reading teachers
